

Volunteer Ministry Opportunities

Revised 9/17/2010

Name: _____ Phone: _____

Email Address: _____

You have spiritual gifts and talents — everybody does! Trinity wants to utilize those gifts and talents in our local and global ministries. Please complete this form and return it to Kristin or Keith. We both have mailboxes outside the church office.

Kristin Nulik | 825-5270 | kristin@triumc.org
Keith Holmes | 823-0243 | keith@triumc.org

Another option is to do this online at www.triumc.org. From the menu bar choose “Make a Difference” and choose “Volunteer Opportunities”. There are written instructions as well as videos.

I choose not to participate in the talents and spiritual gifts survey. (Give to Kristin or Keith. You do not need to do anything else.)

Check as many areas that are of interest to you. When a volunteer opportunity is listed with your area(s) of interest, the contact person will receive your name. If you provided, an email address, you will receive information about the opportunity. Completing this form does NOT obligate you to assist when there is an opportunity.
