- 5:30pm, A Candle Light Service

A Tax Saving Idea from Trinity's Foundation: As December

31st approaches and you have funded your current church obligations but still have funds that could potentially be used for tax-deductible charitable donations, please consider a donation to Trinity's Foundation as a benefit to our present ministries, future ministries or our Scholarship Fund. The Trinity Foundation is a 501(c)3 organization that is separate from our church but exists solely to benefit Trinity by creating a long-term investment that grows and also generates income. There are several ways to invest in the Trinity Foundation: 1) Write a check to Trinity UMC with "Foundation" in the memo line. This will start earning income to be used for grants to new ministries or to special needs of the church. 2) Write a check to Trinity UMC with "Scholarship Fund" in the memo line to help our youth with college expenses. 3) Send a check to the Greater Salina Community Foundation with "Trinity UMC Endowment Fund" in the memo line. This will be invested to help Trinity secure a stable financial future for years to come. 4) If you have an RMD, it can be gifted to Trinity as a charitable contribution to allow you to avoid paying income taxes on the amount. 5) If you have appreciated stocks, bonds or mutual fund shares, you may want to give them instead of cash. You will receive an income tax deduction and avoid capital gains.

Please take a moment right now to make your tax-saving, mission-accomplishing, year-end gift. The clock is ticking...

Dec. 25 @ 10:30am, Carols & Communion @ University

After the Rain—taking a break for the holidays.
